True stories of my sexual adventures

G.O.A.T

By Ron L. Cummings

Names and places have been changed to protect the not so innocent.

As we move through the sexual escapades of our lives, for those of us lucky enough to have had a virtual buffet of sexual partners we tend to categorize them based on their abilities or how attractive they are.

In my adventures, there was a woman that gave the best blowjob, one who had the best body, another that was the freakiest and the list goes on and on.

This month I've decided to share a story from my relationship with the woman that I consider to be the G.O.A.T aka the Greatest of All Time!

Her name was Lali and she was 5'4" of pure Puerto Rican attitude. She was incredibly outspoken, fearless with 40" hips, a slim waist and a nice C cup.

I met her at work - no surprise there.

A group of us went out to lunch one day and having taken Spanish for four years, I started talking to her in Español during lunch. I could see her eyes light up as I changed the conversation over to her native language. I had her hooked so I decided to reel her in with *Te gustaria salir algun dia* - which translates (loosely) to would you like to go out sometime. She said "Si" and we exchanged numbers.

That night we talked on the phone for hours and somehow our conversation turned to some of our sexual likes and dislikes.

At the end of the conversation she said that she wanted to cook a Puerto Rican meal for me and invited me over for dinner at her apartment.

The next night I drove over and her apartment was amazing. Though the outside left a little something to be desired and it wasn't in one of the best neighborhoods, the space itself was large and extremely well kept. The smell was one that I wasn't familiar with but incredibly enticing. She had cooked up deep fried empanadas with Spanish rice and red bean.

Absolutely delicious and totally different from the southern soul food that I was used to.

After dinner, we sat on the couch to watch a movie. She served Pina Coladas (I know, so cliché) after dinner and I took a few sips before she offered me a good 'ol American Bud Light.

As we sipped our drinks, I noticed that she began to move closer and closer so I did one of my Happy Days moves and pretended to stretch and put my arm around her - which she picked up on and started laughing like she had just heard one of the funniest joke ever. Her laughter was full and genuine just like her rich attitude.

About half way through the movie she got up, took my shoes off (yep) and went into another room to get a couple of pillows and a blanket.

She made a nice little nest for us in front of the couch before going back to her bedroom and putting on a nightgown. When I say nightgown, I mean nightgown. She didn't come back in a teddy with thigh highs but a nightgown that covered her down to the ankles.

We laid there and watched the rest of the movie with her head in my chest like an old married couple. It was the weirdest thing ever!

If she was aiming for a husband she was certainly already acting the role. Despite it being a little strange it was incredibly comfortable. I had never been treated that way before.

Normally, it was come over...there's a movie...we get about halfway through it before the girl has a her panties off. With Lali it was like I had come home. She fed me, made some drinks and **TOOK MY DAMN SHOES OFF!**

After the movie, I actually asked her if it was okay for me to kiss her. She said yes and we laid there comfortably with our tongues moving back and forth until I pushed my luck and unzipped her nightgown...t-shirt!

She just smiled, got up and turned off all the lights before taking off her t-shirt, revealing two almost perfectly shaped natural breast. She came back to our "bed" and I sucked at her nipples like a starved newborn.

I tried my luck again, reaching up her nightgown to find that she wasn't wearing panties. I softly rubbed her cleanly shaven pussy like it was a genie's lamp and I trying to make a wish for a billion dollars.

She put up with my rubbing and sucking for a few minutes before she grabbed my hand and lead me to her bedroom.

She took my clothes off piece by piece, folded them and laid them in a chair next to the bed before pulling me into the bed, spreading her legs and guiding my head directly to her love spot for my second helping of dinner...so I ate.

I ate until she screamed loud enough to wake her neighbors.

What happened next can only be described as **abuse.**

She climbed on top of me, slid me inside her and literally tried to kill me. She rode my dick so hard that I'm surprised that it didn't register on the Richter scale. It seemed like the bed and everything else in the room was moving.

Even when she slowed down and leaned down to kiss me, the room was still filled with the...FOP, FOP, FOP, FOP as her 40" hips and round Puerto Rican ass slammed against my thighs.

FOP, FOP, FOP, FOP...

I could feel the tip of my cock slamming against her tailbone.

I took her and turned over doggystyle so she wouldn't break my dick.

Her ass was so thick, unlike anything I had ever seen before or anything I've seen since that the visual got the best of me and I only lasted a few minutes before spilling my load deep inside her.

When she stood up her ass dropped into place, it was like watching da Vinci paint the Mona Lisa...perfection! **G.O.A.T**

The logo consists of the letters "NGM" in a large, bold, white serif font. The letters are set against a solid dark red rectangular background. The "N" and "G" are connected, and the "M" is separate. The font has a classic, slightly ornate feel.
